

CONTENTS

- Section 1** ~ Solenoid Valves for use on Air
- Section 2** ~ Solenoid Valves for use on Water
- Section 3** ~ Valves for Potable Water
- Section 4** ~ Valves for Gas
- Section 5** ~ Solenoid Valves for Oil & Fuel
- Section 6** ~ Solenoid Valves for Steam
- Section 7** ~ Solenoid Valves for Cryogenics
- Section 8** ~ Solenoid Valves for Actuation
- Section 9** ~ Solenoid Valves for use on High Pressure
- Section 10** ~ Solenoid Valves for use within Hazardous Areas
- Section 11** ~ Air Operated valves

Appendix

Conversions.....	12a
Corrosion Reference Guide	12b - 12c
Viscosity Reference Guide	12d - 12e
Din Plug Connectors.....	12f
Copper Winding Temperature Classifications	12g
Metals	12h - 12i
Modes of Operation	12j - 12k
Protection Class, IP Ratings & Hazardous Areas	12l
Sealing Solutions	12m - 12n
Solenoid Enclosure examples	12o - 12s
Glossary of Terms	12t - 12u
Conditions of Sales.....	12v - 12w
